

We are a family-owned logistics company with 60 years of experience, trusted by Europe's leading manufacturers. At our company, you're not just a number—you're part of the family. We offer secure and varied routes across Europe. We are hiring truck drivers at our following locations: **Germany, Italy and Romania**

**Truck driver (m/f/d)**

### **Your benefits**

- **Above- average salary** that grows with your good performance
- **Modern trucks** with high driver comfort and the latest technology
- **No language barriers** – we find solutions for good communication
- **Secure job** in a successful and growing company
- A friendly and well-coordinated team that has your back
- Training and further education to expand your qualifications
- **Support with all questions** relating to your job – you are not alone!

### **What you can expect:**

- Safe and punctual execution of national and international long-distance transport
- Responsible handling of the vehicle and cargo entrusted to you
- Compliance with statutory driving and rest times as well as safety regulations
- Communication with dispatch and customers to ensure smooth transport operations
- Carrying out vehicle checks and minor maintenance work to ensure operational readiness
- Careful documentation of transport orders and load securing

### **Your Profile:**

- Valid Class CE driving licence and a valid driver card
- Experience as a professional driver, ideally in long-distance transport
- Reliability, personal responsibility and a meticulous approach to work
